

## Inspector Adrian Mysteries – Book 4 The Cat is out of the Bag

### Details on Setting and Locations

***The Cat is out of the Bag***'s story is set on the Isle of Jersey. Detective Inspector David Adrian has been recently transferred to the Gorey Constabulary. He lives at the *White House Inn*, where many of the residents are retirees or artists selling their crafts on the island. While shopping at the neighborhood stores, he notices dolls displayed in the shops' windows. The store owners tell him the dolls belong to a young girl who disappeared twenty years ago. The inspector is drawn into solving a cold case once again. However, what he discovers surprises him no end.

The Isle of Jersey is known to many British citizens for being a small piece of paradise when it comes to comfortable (and quite expensive) retirement venue. The summer hours are long and uneventful until they are shattered by the disappearance of a lovely child. Will they ever find what happened to Eliza? Detective Inspector Adrian is determined to elucidate this mystery.
